

Weekly update

Up to and including
SATURDAY 22ND DECEMBER 2018

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Sunday 16th December 2018 through to Saturday 22nd December 2018.

For the final time we give you an update on how you can make your changes. The window for your subs opened over thirty days ago and all your substitution requests must be with me here at FNL Towers by midnight on Monday 31st December 2018. Your changes will be activated on Tuesday 1st January 2019. So you just two more days to make your changes.

Now remember you can only make up to three substitutions and those three teams must have been included on your entry form back in August 2018 at the start of the season. Your changes do not have to be like for like as far as the leagues are concerned. For example, you can remove a National League Premier side and replace them with a team from The Mixture if you so wish. So, if you are new to FNL this season this is how the subs work. If you remove Dover Athletic from your team and replace them with say Dartford. All the points Dover have scored up to midnight on the 31st December 2018 are frozen in your team calculations and then every point Dartford score from the 1st January 2019 up to the end of the season become part of your main score.

Please Note: You can change your Jokers, but if you do this will count as one of your substitutions.

So, after reading this you are sat there thinking why I should bother to change anything when I am sat in 1,256th in the main FNL table. Well a good reason could be if you make the right changes you could pick up a FNL Manager of the Month award in the New Year!! Also, remember that you can pick up £50 for finishing bottom each month. So, if you are nearer the bottom than the top then make some changes that might give you the chance of finishing bottom.

Finally, another reminder about my new address. Send the subs you want to make to the FNL Helpdesk either by e-mail, text or by post to FNL Substitutions, Flat 14 Chataway House, Leach Road, Chard, Somerset, TA20 1FR. Please don't send any of your changes to the paper.
