

Weekly update

Up to and including
SATURDAY 20TH APRIL 2019

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Sunday 14th April 2019 through to Saturday 20th April 2019.

In this week's update we take another look at the main FNL 2018/19 table and who is in the running as we move towards the end of April 2019. In total we have about four weeks left of this season's FNL challenge.

Leading the way with 17,469pts is Stafford 4 Ever [S]. They are only 28pts ahead of second placed Pargyle [S] and in third place is AFC Federation [S] who is 39pts behind our current leader. In fourth place which also carries a cash prize at the end of the season is PDB Elite 2018 with 17,189pts which is 280pts behind top spot. The top ten is covered by 537pts and the top twenty by 720pts.

At the bottom it isn't quite as tight, remember the wooden spoon at the end of the season carries £100. Hard Scrabble [S] are still in bottom spot with 3,016pts they are 70pts adrift from their nearest rival Jennie's Jokers [S]. The bottom ten teams are covered by 1,250pts which is quite a gap.

So, guys, when does this season's FNL finish? Well the whole league programme finished yesterday and of course moving forward we have the play-offs which moves us into the first couple of weeks of May. The competition actually finishes after the final whistle of the FA Trophy final. Which takes place on Sunday 19th May 2019. Then after that the End of Season bonuses will be added and we will then know who is the FNL 2018/19 Champion.
